In Re:

Chapter 11 Case #08-35653-KRH (Jointly Administered)

Circuit City Stores, Inc., et., Debtors

In accordance to the letter I received, stating my claim is subject to a disallowance, my written "Response to the Objection" is hereby submitted to the courts and above named Liquidating Trust's Attorney's.

TITLE OF CLAIM OBJECTING: NOTICE OF LIQUIDATING TRUST'S
***THIRTY-THIRD OMNIBUS OBJECTION TO CLAIMS (DISALLOWANCE OF
CERTAIN MISCELLANEOUS HUMAN RESOURCES CLAIMS)***

IN PURSUANT TO RULE 3007-1 OF THE LOCAL RULES OF THE UNITED STATES BANKRUPTCY COURT FOR THE EASTERN DISTRICT OF VIRGINIA AND THE OMNIBUS OBJECTION PROCEDURES, I, HELEN J. OWENS IS HEREBY FILING A WRITTEN RESPONSE TO THE OBJECTION.

I, Helen Owens, (the claimant) am in opposition of the relief requested by the above mentioned debtor because the claim that I filed three years ago is valid and true and should be paid in its full entirety or an agreed upon reduced amount. Please read my concise statement:

Supporting documents; explanation for amount of claim and statement (letter labeled 1a) were submitted as part of the original claim filing in regards to Circuit City's failure to pay me for services performed: overtime pay, vacation pay owing, and severance pay. Timesheets were previously submitted. As a manager with Circuit City, I was scheduled to work 9 to 10 hour shifts as part of my standard

Helen J. Owens-Claim #7940

schedule (daily) and 48 to 50 hours (weekly). During holidays we were often scheduled 60 hours per week. I was never compensated for overtime. Per state law I was violated (daily) and (weekly). For 8 years, I was required to wear a uniform shirt with Circuit City's name on it and was never reimbursed for cleaning fees.

Upon the District Mgr. telling me that my position had been eliminated, I was terminated and not offered severance pay which caused me great hardship at the time.

My fellow co-worker and previous Operations Manager Chanea Dennis, telephone number 310 644-7930, has personal knowledge of relevant facts supporting this response. (letter labeled 1b). Also submitted is proof of 17 years of employment as indicated on (letter labeled 1c).

Presiding Judge, because of all of the reasons set forth, I beg your honor to overrule the Objection to my claim. I dedicated my life to this company. The labor laws set forth by the State of California were violated in turn violating my rights to be paid wages for working overtime and reimbursement for uniform cleaning expenses. Because the company was down-sizing, instead of offering me a severance package after 17 years of service, they made up a reason to terminate me with no compensation. Because of these reasons, I am more than justified in asking for compensation for injustices. Please accept my "Objection."

My name is Chanea Dennis. I know the relevant facts surrounding part of Helen Owens time spent at Circuit City as a Manager. We worked many shifts together for a number of years where we did not receive compensation for overtime and for cleaning our uniforms. My telephone number is 310 644-7930. Thank you.

Chanea Dennis

To Whom It may concern,

This letter is to inform you that I spent 17 years of my life working for Circuit City. I started off part-time, then moved up to full time and later became a Sales Manager. I worked as a Sales manager for 8 years and during that time my regular everyday schedule was between 48 to 50 hrs. per week. During holidays it was bumped up to 60 hrs. per week. During these periods I was never compensated for the hours that I worked **over 40 hours**. I later learned these hours should have been considered *overtime*. Based on my calculations (Not including holidays like the 2-weeks of Christmas, the two weeks of Thanksgiving x 8 yrs), I was never compensated for the overtime I worked. As follows:

*10 hrs. O/T Per/Wk x 4 wks = 40hrs o/t per mth x 96 mths (8) yrs
96 mths x 40 extra hrs. per week = 3,840 x approx \$22 per/hr. = \$84,480 owed to me
Minus \$35,200 for 1600 hrs. (2 wks. vac. a yr. x 8 yrs) of vacation time taken during that period. The balance owed me by Circuit City for Services Performed is \$49,280. At this time I am requesting payment. (Time-sheets enclosed)*

Also after being out ill under doctors care for shy of a year, my job was terminated and I did not receive any kind of severance pay for all the years of service I rendered. The District Manager called me in for a meeting and told me he would try to place me in a store since I was now able to work and released from the doctor. Four days later I called him and he said he could not find a position for me, but all along I had been terminated because the termination letter I received was dated during the date of my meeting with the DM. I feel I should have received minimum \$8k to \$10k severance pay to get back on my feet after 17 years of loyal service. The only other time that I had taken off was 11 years earlier while out on maternity leave. A thousand dollars for each year served as a Sales Manager. Total compensation requested is \$49,280 plus \$8,000 = \$57,280. I feel that my rights have been violated and that the labor laws in the State of California were designed to protect workers against these adverse working conditions. Thank you for your time. Your prompt reply is requested regarding this serious matter.

Sincerely,

Helen J. Owens
